

Brief information to Brandförsäkringsverket's foreign policyholders

Final payment to policyholders of Brandförsäkringsverket

Dear Policyholder,

Brandförsäkringsverket is an old Swedish mutual insurance company, which was established in 1782. The company had a considerable number of old insurance policies called Allframtidförsäkring for fire damage, on certain properties mainly in Sweden.

On May 28 2008 the general meeting of the company decided that the company should go into voluntary liquidation, which implied that the net assets of the company should be distributed to those who were regarded as policyholders in the capacity as owners on that very day of property insured with Brandförsäkringsverket.

According to our register you are regarded as policyholder as the owner on May 28, 2008 of a certain property insured with Brandförsäkringsverket and thus entitled to repayment of funds from the company proportional to the premium reserve. Any change of ownership of the property after May 28, 2008 will NOT affect your right to repayment.

After comprehensive actions and a lot of work since 2008 the liquidation procedures has finally come to an end as the total sum of net assets to be distributed to the policyholders has been decided upon. Thereby we can now also decide upon the final payment that remains to be paid to each policyholder after a deduction of the three partial payments already effected by the company and transferred to your bank account since 2009.

Accordingly this information now regards **the final, fourth, payment** which will be carried out beginning in April 2012.

Enclosed please find a letter with information in Swedish and a form called SVARSTALONG for you to fill in and return to us at Brandförsäkringsverket. Without this form confirmed, signed and returned to us, we cannot transfer this final payment to your bank account. The amount in SEK is printed on the SVARSTALONG.

Please confirm your name and current address on the SVARSTALONG and check that the pre-printed **bank account number** (IBAN/BIC or a Swedish bank account number) is still correct. **Sign** the form and return it by mail to us. Please use the reply-envelope.

Please observe that every **owner** of the specified property insured with Brandförsäkringsverket must sign the form.

We look forward to your answer as soon as possible.

Our address is: BRANDFÖRSÄKRINGSVERKET
STRANDVÄGEN 19
SE-114 56 STOCKHOLM
SWEDEN

Stockholm in January 2012

Yours sincerely,

Brandförsäkringsverket in voluntary liquidation
